49. So far we have talked mostly about hunting, fishing, skin sewing, making Native crafts, and jobs for pay. We would also like to know what you think about the way living conditions in (VILLAGE) have changed over the past several years.

Here is a picture of a ladder with the steps going from number 1 - very bad, to number 2 - bad, number 3 - not good or bad, number 4 - good, and number 5 - very good (HAND RESPONDENT CARD 1).
